Phil,

Long time, no talk. I hope all is well with you.

We're in the process of reviewing the Corps' final decision documents on the I-73 project in South Carolina. In their decision documents, the Corps refers to several fairly recent EPA letters on the project that I don't think I have seen yet. These four letters are dated as follows:

March 31, 2017

September 9, 2016

August 9, 2016

July 19, 2016

Any chance you could e-mail copies of these letters to me? I'd also appreciate seeing any EPA letters on the South Carolina portion of this project since 2011 (if there are any in addition to those noted above). If it's easier for me to submit a FOIA request, feel free to let me know.

Thanks. I hope we can catch up soon.

Chris
